Prayer and Praise

Praise to our Heavenly Father who hears our prayers:

- ✚ John and Lesley Klinec got word this week that John's sister **Dita is off the respirator, able to eat after two weeks with** the corona virus (in hospital in the Czech Republic)
- ✚ Marlin who suffered a stroke three weeks ago, played his bass guitar last Sunday for our Easter service with the Worship Team
- ✚ Marie Smyth's granddaughter Jill now recovered from Covid19
- ✚ As yet (as far as we have heard) no cases of Covid19 in Pincher Creek/Cowley/Crowsnest Pass/Fort Macleod area

- ✚ Jennifer Griffith has had her 1st special cancer treatment in Florida

Good comes out of difficult times for those who love Him – families enjoying time together, people contacting each other. *Thank you for those who have called members of our church family this past week*

Special thanks for those who have rebuilt the stage at the front of our church sanctuary – a long time in the planning

Please pray for (in this time of isolation and possible contagion):

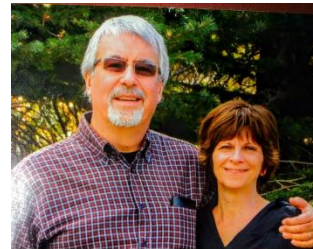

- ✚ Andrea Smyth who needed medical help on Friday, is doing okay but will have more tests this week
- ✚ Lorri Mac who has cancer surgery April 29th, & her husband Gord. Also Lorri's doctor and nurse team
- ✚ Our young people completing Grade 12, whose plans for graduation ceremonies, summer jobs, travel – all postponed or cancelled. Pray they will be encouraged and not lose hope. And for post high school students wondering what to do now
- ✚ Jim Johnson's son Jim, respiratory technologist at Calgary Foothills, exposed to the virus this week, now in quarantine
- ✚ All medical, emergency, care staff and public workers, food store and hardware staff who put themselves at risk for their community
- ✚ Our farming and ranching neighbors ready for Spring work, thankful for Spring moisture but...
- ✚ Our country's leaders – federally and provincially, for humility and wisdom

Message Notes:

Our Mission: 'To know Christ and to make Him known,
locally and globally'

Remember our Partners in Mission ('PIM') Follow the CBM Prayerline link on our website to read the weekly prayer written for us by Field Staff. *This past week from Bolivia, Bill and Janice Dyck asked us to remember in prayer the Bolivian Baptist Union, its caring and development work including Casa De La Amistad* with children, Janice's online music lessons for low income children, Bill's training and support for pastors throughout Central and South America, the Chagas Project

From **CBWC's Mountain Standard Time** Monthly Newsletter @ cbwc.ca: "...if this does get bad, we ask that You fill us with Your Spirit so that Your Church will become known for its courage, hope, and self-sacrifice. What a story that would be . . ." prayer written by Rev. Sam Chaise

Special Note from **Moreen Sharp, Executive Director Women's Division, Baptist World Alliance** (and dear friend to many of us in this church):

"The July 2020 BWA Conference in Rio (de Janeiro) has been postponed for a year. Thankfully the hotels and

convention centre allowed us to transfer everything over without penalties! I continue to work from my home office (Mission, BC), no trips to the office (Washington, DC) until at least July – if allowed to go then. We (Paul and Mo) are doing well, still getting out for walks for our mental well being and in spite of all the challenges!" (friends recently sang Happy 65th Birthday to Paul, socially distanced around the parking lot of their condo complex
