- ✚ for the at home, online participants in church services - mostly older adults, that they would see themselves as a part of this church family
- ✚ for our youth as they meet Friday evenings
- ✚ in our Christmas celebration plans, that we would see the immense needs around the world – estimated that Covid19 has set back reduction of world poverty by 25 – 40 years
- ✚ for Bill and Janice Dyck, our Canadian Baptist Ministry Partners in Mission, in their new, back in Canada online leadership and ministry training for Central and South America churches
- ✚ for the church of Jesus Christ around the world, facing attacks in Myanmar, China, Democratic Republic of Congo, Nicaragua

Creekside Community Church is here to help you live out God's purpose for the gifts He has given you We invite to you to participate in:

- our worship together - small groups - missions
- outreach opportunities in our communities

### Is this your mission field?

#### Local:

- ✓ Being a volunteer to screen children's ministry Sunday mornings – See Allison Reynolds – requires personal Security Check. A place for older adults to serve
- ✓ Donating to community food banks, Legion hampers for Christmas, small gifts for Legion children's gift shopping – check your community online facebook pages

#### Regional/National:

- ✓ to identify with the 784 million people who don't have access to clean water, FBC Kelowna took on an **Advent** challenge: Week 1 - pick one tap in your house for all your water needs. *Drinking, bathing, cleaning, cooking water had to come from the same tap.* Just that simple act was a real eye-opener for many, to realize that access to fresh water wasn't just an issue found in other countries, but was a problem happening in our own backyards. The realization that the reserve in West Kelowna struggled with this issue was really brought home by this exercise. *"It's like, there? Right over there? How come they don't have it and I do?" CBWC BC's Newsletter [cbwc.ca/category/making-connections/](http://cbwc.ca/category/making-connections/)*
